To the Holders of Arcontech Group PLC Shares

Dear Shareholder,

Notice of Annual General Meeting

I am pleased to be writing to you with details of our annual general meeting (**AGM**) which we are holding at the Company's offices at 1st Floor, 11-21 Paul Street, London EC2A 4JU at 10.00am on 1 October 2021. The formal notice of the AGM is set out on pages 5 and 6 of this document.

This year, owing to the Covid-19 pandemic and the well being and safety of our shareholders and staff, shareholders will not be permitted to attend this year's Annual General Meeting in person and anyone who attends the Company's offices will, unfortunately, not be granted admission. All shareholders are encouraged to vote by proxy in accordance with the instructions set out below. Please note that you should not nominate anyone other than the chairman of the meeting as your proxy, as they will not be able to attend the meeting in your place. If you give the chairman of the meeting a direction as to how to vote, then the chairman must abide by your wishes.

We invite shareholders to submit any questions in advance of the AGM. Any specific questions on the business of the AGM can be submitted ahead of the AGM by e-mail to mail@arcontech.com, with the subject "AGM Question". We will publish these questions (other than any questions which the Board considers to be frivolous or vexatious or otherwise fall within one of the exemptions to the requirement for the Company to answer questions) and answers on our website following the AGM.

Explanatory notes on all the business to be considered at this year's AGM can be found on pages 7 to 9.

Last year, to further reduce our environmental impact, shareholders were notified that we will be removing paper from the voting process for meetings in favour of a quicker and more secure method of voting online via our registrars' website; www.signalshares.com. If you have not already registered for Signal Shares you will need your Investor Code, which can be found on your share certificate. Once registered you will be able to vote immediately.

In the event that you do require a hard copy form of proxy, or you do not know your Investor Code, you can request this from our registrar, Link Group, by calling them on 0371 664 0300 or, if calling from overseas, on +44 (0) 371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Link Group are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales.

Dividend

I am pleased to announce your Board proposes, subject to the approval of an ordinary resolution of shareholders at the AGM, to pay a dividend of 2.75 pence per share for the year ended 30 June 2021 to those shareholders on the register as at the close of business on 10 September 2021, with an ex-dividend date of 9 September 2021. If approved at the AGM, the dividend will be paid on 8 October 2021.

Buy back of shares

A special resolution is proposed to grant the Company authority to purchase its own ordinary shares in the market. The Directors will seek authority, to expire on 1 October 2022 or at the end of the annual general meeting in 2022 whichever is earlier, for the Company to purchase its own ordinary shares in the market up to a maximum of 1,332,781 ordinary shares having an aggregate nominal value of £166,598 being 10 per cent of the existing ordinary share capital in issue as at 1 September 2021 (being the latest practicable date prior to the

publication of the AGM notice). The terms of this authority and its effect are described in the explanatory notes to the resolutions at the end of the AGM notice.

Recommendation

The board considers that all of the resolutions are in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company for the benefit of its shareholders as a whole. Accordingly, the board unanimously recommends that you vote in favour of all resolutions.

Yours Sincerely

Geoff Wicks
Chairman

EXPLANATORY NOTES TO EACH RESOLUTION

The following notes give an explanation of the proposed resolutions

Ordinary Resolutions

Resolutions 1 to 6 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the relevant resolution.

Report and Accounts (Resolution 1)

The directors of the Company must present the accounts to the meeting.

Dividend (Resolution 2)

The Company proposes to pay a dividend of 2.75 pence per share to shareholders on the register of members at close of business on 9 September 2021.

Reappointment and Remuneration of Auditors (Resolution 3)

Resolution 3 proposes the appointment of PKF Littlejohn LLP as Auditors of the Company and authorises the directors of the Company to fix their remuneration.

Re-election of Director (Resolution 4)

The Company's articles of association require that any Director who was elected, or last re-elected, a Director at or before the annual general meeting held in the third calendar year before the current year shall retire by rotation, subject to re-election by a simple majority of the members. Geoff Wicks is offering himself for re-election pursuant to the Company's articles of association.

Re-election of Non-Executive Director (Resolution 5)

Louise Barton, having been in office for more than 10 years, will now retire on an annual basis and is offering herself for re-election.

Authority to Allot Shares (Resolution 6)

Directors may only allot shares if authorised to do so by shareholders. The authority granted at the last Annual General Meeting ("AGM") is due to expire at the conclusion of this year's AGM. Therefore, this resolution seeks to grant a new authority to allow authority to allow the Directors to allot shares until the conclusion of the next AGM or until 15 months from the date of this meeting, whichever is the earlier. The maximum amount of shares which the Directors would be able to allot without further authority from shareholders is 3,280,000. It is expected that this amount will be sufficient for the day to day running of the Company.

Special Resolutions

Resolutions 7 and 8 are proposed as special resolutions. This means that for the resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolutions.

Disapplication of Pre-emption Rights (Resolution 7)

Under the requirements of the 2006 Act, ordinarily if the Directors wish to allot any of the unissued shares or sell any treasury shares (i.e. shares it has bought back in the market), they must first offer them to existing shareholders on a pro-rata basis in proportion to their shareholdings. There may be occasions however where the Directors will need the flexibility to finance business opportunities through the issue of shares or sale of treasury shares without a pre-emptive offer to existing shareholders. This resolution asks shareholders to waive the pre-emption rights on shares issued and treasury shares sold up to a maximum aggregate number of shares of 3,280,000. As with resolution 6, this authority will expire at the next AGM or within 15 months of the date of this meeting, whichever is earlier.

Buy Back of Shares (Resolution 8)

A special resolution is proposed to grant the Company authority to purchase its own ordinary shares in the market. The Directors will seek authority, to expire on 1 October 2022 or at the end of the annual general meeting in 2022 whichever is earlier, for the Company to purchase its own ordinary shares in the market up to a maximum of 1,332,781 ordinary shares having an aggregate nominal value of £166,598, being 10 per cent of the existing ordinary share capital in issue as at 1 September 2021 (being the latest practicable date prior to the publication of this Notice).

The Company's exercise of this authority is subject to the upper and lower limits on the price payable stated in the resolution. As at 1 September 2021 (being the latest practicable date prior to the publication of this Notice), there were options outstanding to subscribe for 579,762 ordinary shares. If the outstanding options were fully exercised, they would represent 4.2 per cent of the 13,907,573 issued ordinary shares of the Company. If the buy back authority were exercised in full, that percentage would be 4.8 per cent of the reduced share capital of 11,995,030 shares.

The Directors consider it desirable and in the Company's interests for shareholders to grant to the Company authority to exercise this power, within certain limits, to enable the Company to purchase its own ordinary shares. This authority would only be exercised if and when conditions are favourable, with a view to enhancing net asset value per share. Any shares purchased would be held as treasury shares which may, at the discretion of the Directors, be resold for cash, transferred in connection with an employee share scheme, or cancelled. No dividends will be paid on and no voting rights will be exercised in respect of treasury shares.

Notes:

1. The Company, pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those members registered in the register of members of the Company at the close of business two days before the meeting or any adjournment thereof, shall be entitled to attend, speak or vote at the meeting in respect of the number of shares registered in their name at the relevant time. Changes to entries in the relevant register of securities later than this shall be disregarded in determining the rights of any person to attend, speak or vote at the meeting.
2. Information regarding the meeting, including the information required by section 311A of the 2006 Act, can be found at the Company's website www.arcontech.com, including information on the number of shares and voting rights.
3. Any member who is entitled to attend and vote at this meeting is entitled to appoint one or more persons as proxies to attend, speak and vote on their behalf at the meeting or any adjournment of it. A proxy need not be a member of the Company. You can only appoint a proxy using the procedure set out on page 2 of this notice.
4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company's registrar, Link Group, on the details set out on page 2 of this notice.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Link Group (ID RA10) by 10.00 am on 29 September 2021.

For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable their CREST sponsors or voting system providers are referred, in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. The register of Directors' share interests will be available for inspection at the meeting convened by this notice, as will the Directors' service contracts.
7. Any corporate entity which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
8. In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders and seniority shall be determined by the order in which their names stand on the register of members of the Company.
9. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information; or (ii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
